

## Wedding Ceremony Packages offered by Jennifer Cram, Authorised Marriage Celebrant ABN 54 113 250 110

I offer a range of service levels to ensure that you will never need to pay for services you don't use. All packages include a very personal ceremony. Common to all of my packages is that the fee reflects not just the ceremonial aspects but also that I am providing a legal service that requires a high degree of knowledge and skill. A marriage ceremony changes your legal status and has implications for inheritance, taxation and other matters. I know what must be done, why it must be done, and how it must be done, and I understand and care about what the consequences for you will be of not doing it.
